TRANSMITTAL OF ANNUAL LANDFILL GROUNDWATER MONITORING REPORT—MW-139-98

Enclosed are five copies of the recently revised Groundwater Monitoring Reports for the Present Sanitary Landfill. This report should be submitted as the final report to Department of Energy, Rocky Flats Field Office (DOE/RFFO), and the Colorado Department of Public Health and Environment, (CDPHE) Solid Waste Division. Based on our last assessment CDPHE's Solid Waste Division continues to be satisfied with our program for monitoring groundwater and its application of the regulations which can be applied to the present landfill site. The Groundwater and Landfill Operations Groups will work to complete the next final report, by July 1999. Please ensure that four of the enclosed five copies are equally transmitted to DOE/RFFO, and CDPHE at the addresses below:
